SKILLS

- JavaScript
- MS-Excel
- Canva
- Java
- HTML
- Adobe Photoshop
- C Programming
- Data Structures
- CSS
- Event Management
- C++ Programming

EXTRA CURRICULAR ACTIVITIES

- I volunteered at a district-level inter-college sports and cultural event at my college. My responsibilities included managing registrations, coordinating logistics, assisting with event setup, and ensuring smooth operations. I helped manage the crowd, guided participants, and supported judges. The event featured various sports and cultural performances, and I learned valuable skills in teamwork, event planning, and problem-solving, making the experience both challenging and rewarding.
